Wennst Dir schon ein Tutorial für das PES 2011 mit Anti-Aliasing eingeben kannst, kannst Du das in den Guide für das PES 2013 machen. Im Guide kannst dann nach "Stilen Maße" suchen. In diesem Ordner gibt es mehrere Kontrolldateien, bei denen Dir die Maße, die ich benenne gegeben habe zu finden sind. Es wäre gut das Du die Bilder im Guide sechst, da die dann am liebsten in diesem Ordner gepackt werden. new and improved Worm I, a Mutant from the Dead Zone. That's where I was born. That's where they closed the hospital. That's where they scattered all the bodies. And who are you? I'm God. I did a little research on you, Worm. You're a kleptomaniac who can't stop collecting. You even steal dreams. I admire your taste. I also admire your work. And how do you know all this? I'm everywhere. I see everything. Why else would you be here? to write this book... This book? It's really bad, Worm. It's not as good as "The Riddle of Steel," was it? It's better than "The Crock of Gold" or "The Keeper of Dreams," which was an odd name for a book. The name should be: The Riddle of Eternity. The book should be..... The Riddle of God. Why do you call yourself God? Partly to piss people off. Partly to get invited to meetings. I've been invited to most of them. You look pretty mortal for an immortal being. I'm totally mortal! I just know lots of stuff that other mortals don't. For example? I know where the FBI is located. I know when people are born and when they die. How? I have no idea. That's the point. I just know. Like I know that you're supposed to die on the night of the 23rd. That's the date that you told me about. Oh... That's tonight. So... Will you take some advice? Sure. Make a will. You're going to die. Now would be a good time. What happens to your body after I die? The same thing that happens to everyone's. It's buried in the ground. It turns to ashes and goes back into the earth. And where will you go? Back into the earth. Where? Back into the dead zone. You mean, the place where you were born? Yes. Why? I don't know. I guess I'm tired of being here. So you are God? I'm the God of all things. I don't understand
